ABOUT US

There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable. If you are going to use a passage of Lorem Ipsum, you need to be sure there isn't anything embarrassing hidden in the middle of text. All the Lorem Ipsum generators on the Internet tend to repeat predefined chunks as necessary, making this the first true generator on the Internet. It uses a dictionary of over 200 Latin words, combined with a handful of model sentence structures, to generate Lorem Ipsum which looks reasonable. The generated Lorem Ipsum is therefore always free from repetition, injected humour, or non-characteristic words etc. It uses a dictionary of over 200 Latin words, combined with a handful of model sentence structures, to generate Lorem Ipsum which

Baby Diapers

Eco-labeled diapers with premium protection

Bambo Nature diapers are soft, comfortable, and keep even the most sensitive skin dry. The diapers are designed with a super-absorbent core using the latest channel technology that leads moisture away from the baby's skin and holds up to multiple wettings. The range also includes Night Pants for older children experiencing bed- wetting, as well as disposable swim diapers.

Highly certified and eco-labeled

- Soft, flexible fit for comfort and freedom of movement
- Double leak barriers for added protection
- Free from perfume and parabens
- Breathable materials to minimize the risk of diaper rash

Bambo Nature is not only a comfy, absorbent diaper for your child. It is also an eco-labeled diaper developed with great concern for our environment. Based on Nordic traditions for sustainability, we produce our diapers with great love and care in Denmark, and with a strong commitment to protecting the environment in all our manufacturing processes. And at the same time, we ensure that our Bambo Nature diapers are completely free of dangerous chemicals and perfumes to minimize the risk of allergy and diaper rash. Our environmental commitment also extends to our diaper packaging, which consists of 30% post-consumer recycled plastic. The recycled materials originate from consumers household plastic waste, which is carefully cleaned and sorted by grade. The packaging should be recycled with other plastic waste. Our Bambo Nature diapers are FSC™ (Forest Stewardship Council), Nordic Swan, Dermatologically tested and Asthma Allergy labeled.

Adult Diapers

Eco-labeled diapers with premium protection

Impervios Slip premium is a range of briefs for moderate to heavy incontinence, designed for highly demanding situations and for bedridden patients. The products are fastened with flexible double-tape that ensures an optimum fit and can easily be repositioned as needed. The premium range is produced on state-of-the-art production lines in Denmark.

- High-performance core and Top-Dry Technology ensure a dry feeling
- 360° leakage reduce workload and improve user comfort
- Curved leg elastics ensure an optimum fit
- Wetness indicator with graduation scale to help guide product changes
- Full breathable materials support a healthy skin balance

Impervios slip is our Premium range of fully breathable, anatomically shaped bladder protection briefs for moderate to heavy incontinence. The high performance core with Top-Dry Technology ensures fast absorption and a dry surface even after multiple voids.

A combination of different barriers (visible and invisible) and elastics (curved leg elastic) offer 360 degree leakage protection all around the product. When combined, these functionalities help protect the skin and maintain a natural pH skin balance. The Odor control system minimize unpleasant smells. The high quality flexible combi tapes with double tape function ensure an optimum fit and easy repositioning. The wetness indicator with graduation scale guides the user and caretaker to the product with the right absorption level and aids product changes. The dermatologically tested products have been given the Nordic Swan Ecolabel.

Underpads

Eco-labeled diapers with premium protection

Impervios Underpads is a cost-effective range offering convenient and reliable protection of surfaces, beds, and more. The range is FSC-certified, and Dermatologically tested. The fluff core and sealed edges prevent leakages and reduce cross-contamination. The range is available in different sizes and with or without SAP, which retains liquid, even under pressure, and protects against odor.

- A cost-effective and reliable choice ideal anywhere you need to absorb liquids
- Waterproof back sheet and sealed barriers for optimal leakage protection
- Soft and comfortable surface for good user comfort
- Disposable after use for easy and hygienic handling

Impervios Bed Protection

L*W(cm)	Waist Size	Absorb(ml)	SAP g/pc	Packing
